Dear ACS Families,

Thank you for your participation in our ACS Recreation Soccer League. We are working hard and giving our best effort to cover all the requests according to your needs for days, times, coaches, teams, locations, carpools, teammates… Thank you for your continued patience and support.

As you know, the weather has not been our best friend these past two weeks and we are still expecting more rain this coming week. The Town of Southern Pines Parks and Recreation Department let us know that they are closely monitoring the conditions of the fields to allow us to start. They are asking that we delay the start of the season to the following week for the health of the fields and the safety of our players.

We are in the process of sharing the rosters with the coaches, and your team placement will be shared with you when they have been confirmed with your coach. The teams will be published in TeamSnap. In your account, you are able to select the information you wish to make public to the rest of the team. Please reference this link for more information about your profile: Team Snap Profile Information If you have questions about this process, please let us know.

We continue to seek additional coaches for the U7 Boys, U8 Boys, U7/U8 Girls, U15 Girls and U15 Boys. If you are interested in helping, even as an assistant, please contact our Director of Soccer, Coach Julio Penalillo at julio.penalillo@acsandhills.com.

We are looking forward to seeing our players and families back out on the field soon!

Thank you,

AC Sandhills
